AGENDA

The Board moved to approve the agenda. **Motion** by Director Pierschbacher, second by Director Mullins. *Motion carried unanimously.*

BUSINESS

Superintendent Coffelt reviewed primary considerations relative to renewal of the District Instructional Support Levy in July 2022. The ISL is a General Fund levy that is a part of the overall District Property Tax Levy. Renewal of the levy for five (5) years will not create an increase to the District Property Tax Levy and is used for instructional purposes only.

President Millslagle opened the public hearing regarding the Instructional Support Levy resolution. The District has provided proper notice of the hearing as required by state law and was published in the Lamoni Chronicle on November 4, 2021. No members of the public spoke at the hearing and those present had no questions. No verbal or written comments were received from the community or any of the board directors.

The public hearing closed at 6:15 p.m.

ADJOURN

The Board moved to adjourn the public hearing at 6:16 p.m. **Motion** by Director Pierschbacher, second by Mullins, **Motion carried unanimously.**
