COVID-19 REMINDER: If a student tests positive for Covid-19 or is in close contact to someone that has tested positive, please contact the school nurse, Donna Binning, @ 784-3422. This is extremely important to maintain the health and safety of our students and staff. THANK YOU!

ISASP Testing Again on April 13th!

Lamoni Community Schools will be participating in Iowa Statewide Assessment of Student Progress (ISASP) tests again on April 13th, 20th, and 22nd. These tests were developed by the University of Iowa and are aligned with the Iowa Core standards. Results of these tests provide a clear and accurate assessment of student learning outcomes.

Please help us get your student ready and excited to show off all they have learned! Here are some tips to help them be successful:

- ★ Get a good night's sleep the whole week of testing!
- ★ Eat a healthy breakfast every morning!
- ★ Get your child to school on time!

School Food Pantry

If your family is in need of food the school food pantry will be open by appointment. Call (641)784-3351 during school hours or email aarchibeque@lamonischools.org to set up an appointment.

Dress For the Weather!

Please make sure your child wears a season appropriate coat, hat and mittens/gloves to school every day! Students will be expected to go outside for recess unless the "feels like" temperature is less than 15 degrees.

Changing After School Plans

Please notify the elementary office of any changes to your child's after school plans **PRIOR TO 2:00PM**. The end of the day is a hectic time and we want to insure that all relevant parties have been notified. Also, please try and solidify your child's plans for the week prior to the week starting. Having a consistent plan is helpful for the student and their safety.

Face Coverings

Facemasks will be required when social distancing cannot occur or around individuals with compromised health concerns. It is the recommendation of the Lamoni Community School District, in accordance with other governing bodies, that because facemasks can play a substantial role in mitigating the contraction and spread of COVID-19 (if properly worn, maintained and cleaned), in order to provide the maximum amount of safety and security, their use is recommended while at school.

My Student Assistance Program (SAP)

If you, or your family, are struggling to deal with life's challenges, a Student Assistance Program (SAP) is available for you to call. You can count on your SAP for guidance, support and to develop helpful strategies. See attached flyer for more information.
