## **ISASP Testing Is Here!**

Lamoni Community Schools, Grades 3-11, will be participating in Iowa Statewide Assessment of Student Progress (ISASP) tests on April 19th and 26th (5th only). The results of these tests reflect what is being taught in our classrooms and how students are progressing toward grade-level expectations. It is extremely important that your student be in attendance on those days so we ask that you schedule all appointments and outings accordingly.

### **Some tips to help your student be prepared and successful!**

- Get a good night's sleep the whole week of testing!
- Eat a healthy breakfast every morning!
- Get your child to school on time!

## **Conditions of Learning Survey**

Parents of students (Grades PK-12) and students (Grades 3-12) will be asked to take a Conditions of Learning Survey. This survey helps our school improve safety, student engagement and the overall learning environment so that all students have optimum conditions for learning. Parents should have received directions and a link to take the survey via email and students will take the survey in their classrooms. If you do not want your student to participate in the survey, please call the Elementary Office at 641-784-3422.
