Monday-A; Tuesday-B; Wednesday-C, Thursday-D, Friday-A

Homecoming Dress Up Days

This week is Homecoming Week so please plan on showing your Demon Spirit by dressing up for the following dress up days:

Monday: Tropical/Tourist Day
Tuesday: Iconic Duo Day
Wednesday: Country vs. Country Club Day
Thursday: Throwback Day
Friday: Spirit Day

Please make sure the student will still be able to participate in expected activities all day and that the costume is not too distracting for them. Face make-up will not be allowed. Thanks for making this a fun event for the students!

Homecoming Parade & Pep Rally

All classes will be attending the Homecoming Parade and Pep Rally on Friday, September 18th. Everyone is invited to attend, but we ask that you remember to social distance and wear your masks. The public will not be allowed in to the school buildings for other homecoming activities.

Changing After School Plans

Please notify the elementary office of any changes to your child's after school plans prior to 2:00pm. The end of the day is a hectic time and we want to insure that all relevant parties have been notified. Also, please try and solidify your weekly after school plans prior to the week starting.

Lost Masks

If your child is bringing their own special masks to school, we suggest that you put their name on it. We are finding lost masks in the halls, classrooms and on the bus and would like to return them to their owners.

Visitors to School

Parents / guardians will NOT be allowed into the district past the Elementary and High School offices. This will be in effect until further notice. This includes all parties, as well as drop-off and pick-up of the students. Parent / Teacher conferences, IEP meetings and 504 meetings will be the only exceptions at this time.

Pick-up and Drop-off

This year's Elementary school pick-up and drop-off will ONLY occur on the west side of the playground. This will help to ensure the safety and security of all as we try to mitigate the COVID virus.

Face Coverings

Facemasks will be required when social distancing cannot occur or around individuals with compromised health concerns. It is the recommendation of the Lamoni Community School District, in accordance with other governing bodies, that because facemasks can play a substantial role in mitigating the contraction and spread of COVID-19 (if properly worn, maintained and cleaned), in order to provide the maximum amount of safety and security, their use is recommended while at school.

No outside food or drink

We will no longer allow outside food or drinks to be brought into our district. This includes food for parties (birthday or holiday). The only exception will be lunches brought from home each day. Thank you in advance for your cooperation.

Remote Learning and Virtual Students

If you have any questions regarding your student's remote learning or virtual academic curriculum, please call 641-784-3422. Please continue to check your email frequently for additional information.
