Pick-up and Drop Off of Students

Now that our construction is complete, we would like to remind students and parents of our morning drop off procedures.

Morning Dropoff Procedure

Students may only enter the building at their designated door and time.

All other doors are to remain locked/closed.

Elementary begins at 8am and ends at 3:05pm. For the safety of our students, elementary school drop-off and pick-up will occur **ONLY** on the west side of the playground on Elm Street. We ask that students not be dropped off prior to 7:30am unless they are registered for Before School Exploration Academy.

Change in After School Plans

For the welfare and safety of our students, we ask that parents create a consistent after school plan for their student(s). Changing plans frequently can lead to feelings of stress and confusion for students and adversely affect their learning experience. Changes in plans need to be communicated to the Elementary Office **prior** to 2pm. Frequent changes in plans may be address by the principal. Our goal is to keep your child safe!

Homecoming Week Sept 11-15

Elementary students are invited to join in the homecoming activities and dress each up! Please see the attached dress up schedule for more information. Remember, students will still be expected to participate in all student activities so costumes need to allow for that and please, NO FACE PAINT or MAKEUP.
