February 2, 2023

## News and Notes

In February, we will be setting up a classroom store for our dramatic play center. We need items for our store. Please send us your used, empty and rinsed out grocery containers! Items could be milk jugs, juice containers, empty food boxes, egg cartons, laundry soap containers, etc.

We will be having our Valentines party on Tuesday, February 14<sup>th</sup>. Students will need to make their Valentine's boxes at home, and bring them on or before that day. Families signed up to bring things for the party are: Scottlyn Rumley (snack), Alison Smith (snack) Emma Hoffman (drinks), Killian Vanderflucht (plates and napkins).

If sending Valentine cards for your child to give out, please send enough for 20 students (and 2 teachers). Do not label them with names, just fill out the "From" part with your child's name. This makes them much easier for students to pass out.

Show and Share is on Mondays. Please help your child find something that begins with the letter Aa.

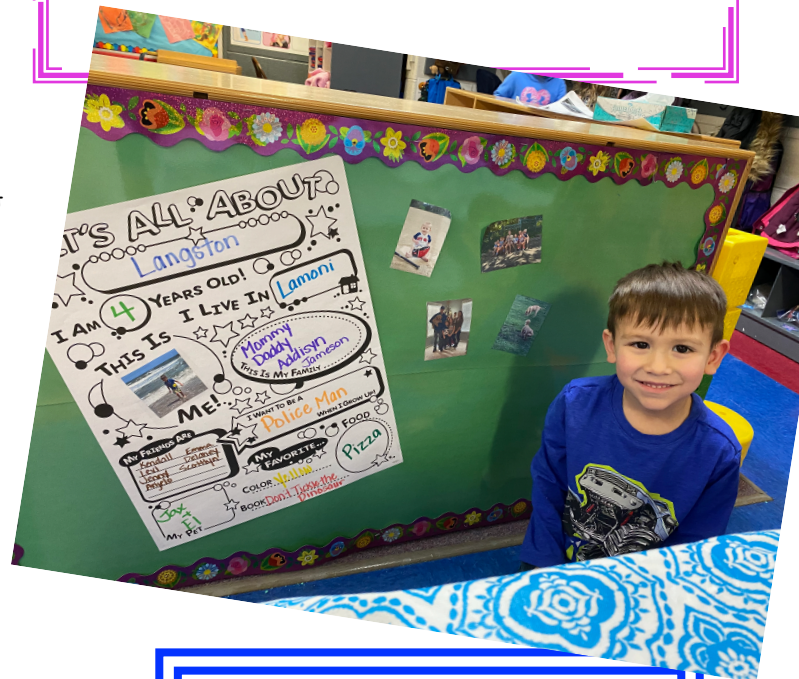

Delaney is providing snacks next week.

Remember...if your child is absent, call the school 784-3422.

Children see magic  
because they look for it.  
- Christopher Moore
